Experienced writer and educator with extensive background in biomedical ethics, psychology, and philosophy. I enjoy interdisciplinary collaboration, communication, and creating solutions to hard problems.

Research Experience

University of Toronto, Centre for Ethics

Postdoctoral Fellow

Toronto, ON

August 2023 – July 2025

- Conducted independent projects concerning trauma and recovery, opioid treatment agreements, and shame
- Continued existing collaborations with colleagues from Ohio State concerning the legal landscape for opioid treatment agreements

The Ohio State University College of Public Health Center for Bioethics at OSU Medical Center

Postdoctoral Scholar (joint appointment)

Columbus, OH

June 2019 – June 2021

Project: Regulating Addiction: Paternalism, Stigma, and Health Disparities

- Collaborated with faculty in Medicine, Law, Philosophy, and Public Health
- Co-authored a grant proposal for a mixed-methods study about how physicians perceive and use opioid treatment agreements. This proposal was a finalist for the Greenwall Foundation's Making a Difference Grant and received The Ohio State University Innovation Initiative Seed Grant (\$49,900), along with additional funding from the OSU Drug Enforcement and Policy Center (\$5000).
- Completed the CARE (Conversations About Research Ethics) Training Program in the Responsible Conduct of Research
- Attended regular meetings of the Biomedical Sciences IRB & clinical ethics consultation service at OSU Medical Center
- Affiliate of CEHV (Center for Ethics and Human Values) and HOMES (Center for Health Outcomes in Medicine Scholarship and Service)

University of North Carolina – Chapel Hill

Research Assistant to Prof. Dorit Bar-On

Chapel Hill, NC

August 2012 – May 2013

- Assisted Prof. Bar-On in preparing a manuscript for presentation
- Completed National Science Foundation training in the Responsible Conduct of Research

Teaching Experience
